

SENIOR CORPORATE COMMERCIAL LAWYERS

Sharp Tudhope Lawyers is a well-established and commercially focused law firm. We are seeking senior commercial lawyers to join our busy practice in Tauranga.

The successful applicants will have at least 5 years PQE experience in dealing with a range of commercial matters including compliance, governance, financing, M&A and commercial contracts.

A proactive and practical approach to providing legal solutions is important to us and we are looking for people who are great communicators and capable of taking ownership of projects.

The evolution and growth of the commercial team presents opportunity for accelerated progression for the right person(s) and there is a real opportunity to build a practice from existing and new clients with dedicated support from current Partners.

Essential attributes for this role are:

- Must be commercially minded and have a pragmatic approach to contractual and commercial matters;
- An energetic and proactive approach to seeking work from partners, senior staff and external sources;
- Ability to focus and get jobs done on time and in a cost-effective manner;
- A commitment to outstanding client service and the ability to develop a rapport with clients;
- The ability to leverage referral relationships and turn those relationships into business opportunities;
- Motivation to build a practice (with support to do this) and strong interpersonal skills.

Further, while not essential, experience in property matters would be desirable.
